

### Score-challenge:

- You can play with or without timing
- Set a target score for the game.  
example: 15, 20, 30
- Cross out the points the player scored at the end of their turn
- Players with the who hit the target score first wins.

example: cross out four "1"s, when the player scored 4 points

Point	P1	P2	P3	P4	P5	P6
